2014 TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Francestown, in said County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Offices. 27 Main Street, in said Francestown on Tuesday, the Eleventh day of March next, at 10:00 o'clock in the forenoon to act upon the subjects hereinafter set forth. The voting of Article 1 through 8 will be by official ballot, and the polls shall be open for balloting on said date at 10:00 o'clock in the forenoon and shall not close before 7:00 o'clock in the evening.

ARTICLE 1:

To choose all necessary Town Officers for the ensuing year.
(By Official Ballot)

ARTICLE 2:

Are you in favor of authorizing the Planning Board to make editorial and structural amendments to the Francestown zoning ordinance, without changing its substance, as proposed by the planning board in order to allow code reference updates and provide consistency with State Law, titles and numbering? (By Official Ballot)

The Planning Board voted unanimously in favor of this article.

ARTICLE 3:

Are you in favor of the adoption of Amendment # 1 as proposed by the planning board for the Francestown zoning ordinance as follows: remove Section 3.1.4 Merger of Lots? (By Official Ballot)

The intent of this amendment is to bring the ordinance into conformity with state statutes. Municipalities may no longer merge lots without consent of the owner. **The Planning Board voted unanimously in favor of this article.**

ARTICLE 4:

Are you in favor of the adoption of Amendment # 2 as proposed by the planning board for the Francestown zoning ordinance as follows: replace old regulations with current state reference language in Article II-A.6.3(2), Shoreland Overlay District, Permitted Uses? (By Official Ballot)

This proposal would replace outdated regulations related to the cutting of trees within the Shoreland Overlay District with a reference to new State regulations and as amended. **The Planning Board voted unanimously in favor of this article.**

ARTICLE 5:

Are you in favor of Amendment # 3 as proposed by the planning board for the Francestown zoning ordinance as follows: add language to Section II-A.2.6(a)(2) Wetlands and Vernal Pool District , Prohibited Uses? (By Official Ballot)

This proposal would relax current requirements to allow above-ground propane tanks if located at least 50 feet from the district boundary. The current ordinance prohibits location within 100 feet of the district boundary. **The Planning Board voted unanimously in favor of this article.**

ARTICLE 6:

Are you in favor of Amendment # 4 as proposed by the planning board for the Francestown zoning ordinance as follows: add the words “to maintain an environment amenable to agricultural and farming activities” to the purposes in the Preamble to the zoning ordinance? (By Official Ballot)

The intent of this proposal is to emphasize the importance of retaining farming and agriculture activities and possibilities in Francestown. **The Planning Board voted unanimously in favor of this article.**

ARTICLE 7:

Are you in favor of Amendment # 5 as proposed by the planning board for the Francestown zoning ordinance as follows: remove the stand-alone section of the ordinance Life Safety Code while retaining the Life Safety Code reference in its current position within the Inspector of Buildings and Approval of Building Plans section of the Ordinance? (By Official Ballot)

The proposal preserves Life Safety Code requirements and clarifies appeals procedures and enforcement. **The Planning Board voted unanimously in favor of this article.**

ARTICLE 8:

Are you in favor of Amendment # 6 as proposed by the planning board for the Francestown zoning ordinance as follows: allow Farm Roadside Stands as a permitted use? (By Official Ballot)

This proposal would a) add Article 3.16, “Farm Roadside Stands” which will make farm stands a permitted use, provided certain performance standards are met, instead of a use by special exception, and; b) allow such farm stands in the front setback area, and c) add or modify definitions and Table 2 related to such change. **The Planning Board voted unanimously in favor of this article.**

Pursuant to RSA 39:2a and the vote of the Annual Town Meeting in 1979, you are hereby notified the second session of the annual meeting of the Town of Francestown will be held at the Francestown Elementary School on Saturday, the Fifteenth day of March next, at 10:00 o’clock in the forenoon, at which time the Town will act on the following subjects:

ARTICLE 9:

To see if the town will vote to raise and appropriate a sum not to exceed \$350,000 (“gross” basis) to finance a capital project for design, engineering, rehabilitation, reconstruction, repair, improvement and equipping of the Town Hall located at 2 New Boston Road and to authorize the issuance of not more than \$350,000 of bonds or notes in accordance with RSA 33 and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the date, maturities, denominations, interest rate, or discount rate in the case of notes, place of payment, form and other details of such bonds or notes and to enter into such agreements as are necessary to accomplish the financing and completion of such project. The appropriation made by this article will be a special nonlapsing appropriation per RSA 32 and will not lapse until such project is completed or December 31, 2019, whichever is sooner. A 2/3 vote by ballot is required. **The Board of Selectmen recommends this article 2-1 and the Budget Advisory Committee does not recommend this article 2-2.**

ARTICLE 10:

To see if the Town will vote to require that that NO municipal or other public funds may be spent by the Town on engineering studies, maintenance, repairs or replacement of Cressy Hill Road, and any bridges located thereon, in the section where said road is a Class VI road as defined within the town's master plan, and further affirmed by the below described "Agreement." The section of said road to which this article applies is described as follows: from the intersection of Cressy Hill Road with Russell Station road to that point at the B. Hardwick driveway where the said Cressy Hill Road then changes from a Class VI road to a Class A trail, as voted in Article 19 at Town Meeting March 17, 2001.

The declared purpose and intent of this article is to acknowledge and enforce the provisions of that Agreement and Release, "Agreement," recorded with the Hillsborough County Registry of Deeds on July 3, 1997 in Book 5829, Page 804, pursuant to and as required by RSA 674:41, which under said statute was a condition precedent to, and on which the Town relied, in granting at that time a building permit on said road to the landowner who signed the said Agreement, and under which permit said landowner did construct a residence. The land for which the building permit was issued, and which is subject to said Agreement, is described in the deed recorded with the Hillsborough County Registry of Deeds in Book 5816, Page 588, and shown on the Tax Map of the Town as Lot 3 Map 8. Said Agreement specifically provides, in pertinent part, that the "Landowner's real property fronts a Class VI highway," that "Landowner...does hereby forever release and discharge the TOWN...from the obligation of maintaining said road..." and the "Landowner agrees that at his/her own expense or at the expense of him/herself and other owners of property located on the Road, to clear, repair and reconstruct the Road and any bridges located thereon to the standards prescribed by the Board of Selectmen..."

ARTICLE 11:

To see if the Town will vote to raise and appropriate the sum of ONE MILLION FIVE HUNDRED NINETY-TWO THOUSAND SIX HUNDRED AND SEVENTY (\$1,592,670) DOLLARS to pay the normal operating costs of the Town, such sum to be raised by taxation. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee recommends this article 3-1.**

ARTICLE 12:

To see if the Town will vote to raise and appropriate the sum of FOUR HUNDRED SEVENTY-SEVEN THOUSAND AND TWO HUNDRED (\$477,200) DOLLARS to be added to the Capital Reserve Funds in the following manner:

\$5,000	Future Replacement of Fire Equipment
\$60,000	Future Replacement or Purchase of Highway Equipment
\$350,000	Future Repair and Replacement of Bridges
\$2,200	Future Cemetery Improvements
\$10,000	Future Replacement of Police Vehicles
\$50,000	Future Replacement of Fire Trucks

Such sums to be raised by the withdrawal of ONE HUNDRED TWELVE THOUSAND TWO HUNDRED (\$112,200) DOLLARS from Undesignated Fund Surplus and THREE HUNDRED SIXTY-FIVE THOUSAND (\$365,000) DOLLARS by taxation. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee recommends this article 4-0.**

ARTICLE 13:

To see if the Town will vote to raise and appropriate the sum of NINETY-FIVE THOUSAND (\$95,000) DOLLARS to complete various Town building related maintenance projects and equipment upgrades, generally outlined as:

\$30,000 for resurfacing of the Town Clock and exterior maintenance to the Town Hall

\$20,000 for heating system upgrades to the Fire Station

\$15,000 for Town building alarm system upgrades

\$15,000 for clapboard repairs and painting of the Fire Station

\$8,000 for a generator for the Town Hall Annex

\$7,000 for Town Office file server

Such sum to be withdrawn from Undesignated Fund Surplus, or take any other action related thereto. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee does not recommend this article 2-2.**

ARTICLE 14:

To see if the Town will vote to raise and appropriate the sum of ONE HUNDRED TEN THOUSAND (\$110,000) DOLLARS for the replacement of the bridge on Scoby Road over Scoby outlet, such sum to be withdrawn from the Capital Reserve Fund entitled "Future Repair and Replacement of Bridges" or take any other action related thereto. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee recommends this article 4-0.**

ARTICLE 15:

To see if the Town will vote to raise and appropriate the sum of SEVENTY THOUSAND (\$70,000) DOLLARS to purchase and outfit a dump truck, such sum to be withdrawn from the Capital Reserve Fund entitled "Future Replacement or Purchase of Highway Equipment," or take any other action related thereto. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee recommends this article 3-1.**

ARTICLE 16:

To see if the Town will vote to raise and appropriate the sum of THIRTY-EIGHT THOUSAND (\$38,000) DOLLARS to purchase and outfit a police cruiser, such sum to be withdrawn from the Capital Reserve Fund entitled "Future Replacement of Police Vehicles," or take any other action related thereto. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee recommends this article 4-0.**

ARTICLE 17:

To see if the Town will vote to raise and appropriate the sum of TWENTY-FIVE THOUSAND (\$25,000) DOLLARS to complete a statistical revaluation of all real estate as set forth by the Department of Revenue Administration, such sum to be withdrawn from the Capital Reserve Fund entitled "Future Appraisal of Real Estate," or take any other action related thereto. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee recommends this article 4-0.**

ARTICLE 18:

To see if the Town will vote to raise and appropriate the sum of SEVENTEEN THOUSAND AND TWENTY (\$17,020) DOLLARS for the treatment of invasive milfoil in Scoby Pond (aka Haunted Lake), SIX THOUSAND EIGHT HUNDRED AND EIGHT (\$6,808) DOLLARS to be raised by the acceptance of grants, FOUR THOUSAND NINE HUNDRED AND THIRTY-TWO (\$4,932) DOLLARS to be raised by taxation, and FIVE THOUSAND TWO HUNDRED AND EIGHTY (\$5,280) DOLLARS to be withdrawn from Undesignated Fund

Surplus, or take any other action related thereto. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee does not recommend this article 2-2.**

ARTICLE 19:

To see if the Town will vote to raise and appropriate the sum of TWO THOUSAND FIVE HUNDRED (\$2,500) DOLLARS to fund milfoil prevention efforts at Pleasant Pond by contributing to the funding of boat monitors between Memorial Day and Labor Day 2014, such sum to be raised by taxation, or to take any other action related thereto. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee recommends this article 4-0.**

ARTICLE 20:

To see if the Town will vote to establish an Expendable Trust Fund under the provisions of RSA Chapter 31:19-a titled the "Master Plan Update Fund" for the purpose of funding updates to the Town's Master Plan and related documents under the direction of the Planning Board, to raise and appropriate the sum of TEN THOUSAND (\$10,000) DOLLARS to be placed in this fund with such sum to be withdrawn from Undesignated Fund Surplus, and further to designate the Board of Selectmen as agents to expend. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee recommends this article 3-1.**

ARTICLE 21:

To see if the Town will vote to raise and appropriate the sum of THREE THOUSAND SIX HUNDRED (\$3,600) DOLLARS to purchase a traffic data collection device, ONE THOUSAND EIGHT HUNDRED (\$1,800) DOLLARS to be raised by the acceptance of a grant and ONE THOUSAND EIGHT HUNDRED (\$1,800) DOLLARS to be raised by taxation, or take any other action related thereto. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee does not recommend this article 0-4.**

ARTICLE 22:

To see if the Town will vote to raise and appropriate the sum of TWO THOUSAND TWO HUNDRED (\$2,200) DOLLARS, such sum to be withdrawn from Undesignated Fund Surplus and deposited into the General Cemetery Maintenance Trust, said amount representing revenue received from the sale of cemetery lots in the year 2013. **The Board of Selectmen recommends this article 3-0 and the Budget Advisory Committee recommends this article 4-0.**

ARTICLE 23:

To see if the Town will vote to rescind the actions taken under Article 17 of the 2001 Annual Town Meeting and all prior warrant articles regarding purchasing limits and further to vote that the Board of Selectmen is authorized and required to adopt purchasing policies governing the expenditure of Town funds to ensure that efforts shall be made to see that prices for supplies, equipment, and services reflect optimum utilization of funds. **The Board of Selectmen recommends this article 3-0.**

ARTICLE 24:

By petition of Lawrie Barr and other eligible voters of the Town of Frankestown, NH to see if the town will vote to urge:

That the New Hampshire State Legislature join nearly 500 municipalities and 16 other states, including all other New England states, in calling upon Congress to move forward a constitutional amendment that: 1) guarantees the right of our elected representatives and of the American people to safeguard fair elections through authority to regulate political spending, and 2) clarifies that constitutional rights were established for people, not corporations.

That the New Hampshire Congressional delegation support such constitutional amendment.

That the New Hampshire State Legislature support such an amendment once it is approved by Congress and sent to the State for ratification.

And furthermore, that this Town Meeting vote be a record that We the People want Congress and our state legislature to:

- Institute full, effective and immediate electronic disclosure of all election-related spending by any individual, group, corporation, party or institution.
- Provide for fair, nonpartisan and vigorous enforcement of existing campaign laws and regulations by federal and state agencies.
- Enact an absolute ban on campaign contributions by foreign governments, foreign agencies, foreign corporations or their subsidiaries and employees in the U.S.
- Enact legislation that would cut down the influence of big bankroll donors by multiplying the power of small donations through the use of voter vouchers, tax credits and matching public funds.

The record of the vote approving this article shall be transmitted by written notice to Frankestown's congressional delegation, and to Frankestown's state legislators, and to the President of the United States informing them of the instructions from their constituents by the Board of Selectmen within 30 days of the vote.

ARTICLE 25:

To transact any other business that may legally come before said meeting.

Given under our hands and seal this 11th day of February, in the year of our Lord, two thousand fourteen.

SPECIAL WARRANT ARTICLES

Special warrant articles are defined in RSA 32:3,VI, as appropriations: 1) in petitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriation to a separate fund created pursuant to law, such as capital reserve funds or trust funds; 4) an appropriation designated on the warrant as a special article or as a nonlapsing or nontransferable article

2013 ANNUAL REPORT OF THE BOARD OF SELECTMEN

Although not without its challenges, 2013 was a year when employees, volunteers and officials again delivered on the directives of town meeting and responded effectively to unanticipated developments. We thank them for their dedication and hard work and townspeople for their support, and when necessary, patience and understanding.

The new road grader was on the road by June. The temporary bridge on the Turnpike, which came in roughly \$15,000 less than appropriated, opened to traffic June 13th. The Pleasant Pond boat hosts inspected 560 water craft and had one 'milfoil' save. The herbicide treatment of milfoil in Scoby was completed but the diver assisted suction treatment was delayed and then could not be entirely finished due to weather constraints. The fire department has a new defibrillator. The Pleasant Pond reconstruction extended to the boat landing and, due to a delay in the permitting process, was not completed until November. Final engineering for the reconstruction of the Turnpike bridge which is scheduled to begin in the late spring of 2014 has been completed. Bridge financing - necessitated by the fact the state only pays 50% of its cost share after the project is completed - has been arranged. Preliminary engineering and permitting has begun for the Juniper Hill and Woodward Hill bridges which are scheduled to be replaced in 2015.

The dilapidated pump house at the old ski area was demolished. The transfer station received a face-lift and lots of compliments in the fall. Water leaks in the furnace room and lower level meeting room at the Town Office were repaired. Necessary work that should have been completed at the time of installation was done to the Library's geo-thermal system and a broken septic pipe behind the building repaired.

In the Selectmen's Office Wendy Brien-Baker and Michael Branley continue to receive enthusiastic, positive feedback from department heads and members of the public for great service. Administrative services have expanded: town offices are now open officially all day on Wednesday and unofficially on most other afternoons; the Building Inspector has regular weekly office hours and the Assessor is in the office at least once a month. The web site is being regularly maintained to improve communication with residents and other interested parties. In 2014 the Building Inspector will have a Frankestown cell phone to improve the timeliness of his response to contractors. Tax cards will be on-line to make it easier for property owners and realtors to obtain information. New software is planned to be purchased in 2015 for the Town Clerk's office that will improve office efficiency and customer service.

The Joint Loss Management Committee has completed its survey and recommendations for all major town facilities to assure compliance with safety standards and will continue to monitor them for problems. Two enforcement actions were brought to a successful conclusion but the abatement cases with PSNH and FairPoint will continue into 2014. The current use update was completed and procedures are in place to make sure current use penalties are collected on a timely basis. The update found a number of conversions that happened far enough in the past that the taxes could not be collected. The review also discovered untaxed structures, one of which resulted in approximately \$60,000 of supplemental revenue. The Selectmen will recommend those funds be used to offset the expense of capital improvement projects in 2014.

The Town's Emergency Management Plan was approved by FEMA and will be adopted after a public hearing is held. The Conservation Commission has completed its Conservation Plan and is awaiting formal adoption. The Heritage Commission has recommended to the Selectmen an \$880,000 plan for a town hall upgrade – about two thirds of which is budgeted to come from donations and grants. A warrant to appropriate \$350,000 to be funded by bonding will be on the warrant at town meeting.

The Library celebrated its 90th birthday. The building for storage of historic vehicles, which was funded and built by private donations of money and labor from the Fire Department and donated help from local contractors, was formally accepted by the Town and dedicated as the O. Alan Thulander Building on September 21st. The building will be part of a Heritage complex that will include FIHS's beehive, the horse sheds and town hall. If you have not already done so, be sure to visit.

As discussed in our 2012 report, bridges are our biggest short, and long, term challenge. The latest developments are a downgrade of the weight limit on the Scoby Pond bridge to 6 ton and a warning that rapidly deteriorating conditions on this bridge as well as on the Juniper Hill bridge may require closure. DOT also noted problems with the wood planked Cressy Hill and Russell Station Road bridges. Current assessment of our bridges indicates that action will need to be taken in the next one to six years. Since new applications for the state bridge aid program are being scheduled ten years out, the Selectmen are working with the Road Agent and engineering consultants to identify the most cost effective ways of dealing with the problems. (See pages 67 & 68 for more bridge information.) Deferred building maintenance also continues to increase and problems are becoming more urgent. The backlog is such that the Selectmen recognize that our 2013 net capital spending goal of \$20,000 is inadequate. To address the higher priority bridge needs and an OSHA dictated exhaust system for the fire department in addition to inflation, net capital spending needs to increase by a minimum of \$30,000 per year. If voters were to decide to make improvements to the Town Hall in the near future, an additional increase in the range of \$45,000 per year, based on the current proposal of scope and a ten year payback period, will be required.

For 2014 however, the town had sizeable unexpected revenue from items - such as insurance refunds, newly detected taxable property, FEMA reimbursements, sale of town property and a highway safety grant - that the Selectmen are recommending be directed at some of our more critical problems:

- Reconstruction of the Scoby Pond Bridge (\$110,000)
- Repairs to the fire station, the town clock, the façade of the town hall (\$55,000)
- Alarm system upgrade for all town buildings (\$15,000)
- Miscellaneous other projects (\$25,000)

Use of most of our 2013 undesignated fund surplus will allow us to tackle priority problems while continuing to build the fund balance and while keeping 2014 net town spending level with last year's.

We encourage you to attend Town Meeting and let your opinion be counted.

Respectfully Submitted,

Betsy Hardwick, Chair
Abigail Arnold
Scott S. Carbee

REPORT OF THE TOWN ADMINISTRATOR

I write to you having just completed my first full year working for you, mostly holding the title of Town Administrator. I appreciate the continued support I have received, including passage of the warrant article at Town Meeting changing my position's title to Town Administrator.

As a stark contrast from the past several years, 2013 saw no staff changes in either side of the Town Offices. The benefits of employee retention are enormous as you receive the benefit of knowing who will be assisting you and we avoid having to train new employees to get them up to speed with our operations. The Board of Selectmen has worked hard to make Frankestown a good place to work and volunteer and we appreciate everything the Town's employees and volunteers do to keep the Town running smoothly.

This year we continued our efforts to find cost savings without reducing services. One example was changing our copy machine vendor, giving us better or comparable equipment at the Town Offices and Library at less than half the cost of our prior leases. In addition, our contract for solid waste and recycling hauling expired in October. Using a request for proposals process we were able to consolidate all of our services under the Northeast Resource Recovery Association and project to save roughly 10% compared to our old contract.

Over the past year and continuing into 2014 much of the Board of Selectmen's focus and time has been spent working on Town-owned building projects. Some of the major projects completed this year were removing a derelict pump house at the old ski area on East Road, painting the Transfer Station using Hillsborough County Department of Corrections, painting the front of the Town Hall Annex, repairing a septic line at the Library, and the Highway Department improving the drainage along the Town Offices. Perhaps most importantly, we completed a critical component of the geothermal well at the Library that will ensure that the well's useful life is not cut short without requiring labor intensive manual purging. The Board of Selectmen also held a ceremony dedicating the historical vehicle museum next to the Town Hall to its greatest proponent and supporter, O. Alan Thulander.

In addition to the rehabilitation of the Town Hall, in 2014 the Board of Selectmen is recommending a warrant article to help the Town catch up on several building upgrades and outstanding maintenance projects. Most of these projects have been delayed and deferred for several years and putting them off will make them more expensive, increase our operating maintenance costs, and potentially lead to disruptions in service. These projects are projected to include a new heating system and exterior maintenance for the Fire Station, resurfacing of the Town Clock faces, exterior work to the Town Hall, and upgrades to Town building alarm systems.

In the assessing realm, I wanted to thank everyone who helped make our first ever current use update a success. We received over 80 percent of forms back in this required program to bring our assessing records into compliance with state standards. 2014 will also be a busy year because: the Town will resume using inventory forms, which will be due back on April 15; we will be undergoing an assessment review, essentially a state audit of all of our assessing records and our more than 1,100 property files; and we will be undergoing a full statistical revaluation of all properties in Town, which will include drive-by inspections during the spring and updated values for all property. We will provide more specific information on the timeframe for this process as we get closer.

As always, should you have any questions or comments please feel free to contact me by phone (547-3469), in person, or by email.

Respectfully Submitted,

Michael Branley
Town Administrator

AUDITOR'S MANAGEMENT LETTER

Roberts & Greene, PLLC

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Frankestown
Frankestown, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Frankestown, New Hampshire as of and for the year ended December 31, 2012, which collectively comprise the Town's basic financial statements as listed in the table of contents, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Frankestown, New Hampshire as of and for the year ended December 31, 2012, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on page 23 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational and economic context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The Town of Frankestown has not presented a management's discussion and analysis. Accounting principles generally accepted in the United States of America have determined that the management's discussion and analysis is necessary to supplement, but is not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Frankestown's basic financial statements. The combining nonmajor and individual general fund financial schedules, are presented for purposes of additional analysis and are not a required part of the financial statements. The combining nonmajor and individual general fund financial schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

April 1, 2013

Roberts & Greene, PLLC

BUDGET & ADVISORY COMMITTEE 2013 ANNUAL REPORT

INTRODUCTION

As authorized by a vote of the 1978 Town Meeting, the duties of the Budget and Advisory Committee are:

- to advise and assist the Selectmen as requested,
- to participate with the Selectmen in the preparation and final compilation of the annual Town Budget, and
- to publish and post not less than fifteen (15) days prior to Town Meeting in two or more conspicuous locations within Town its findings and recommendations with regard to each item of the budget and all articles proposing capital expenditures as approved by the Board of Selectmen.

BUDGET CONSIDERATIONS

The focus of the Committee during recent years has been and remains various issues:

- Infrastructure: buildings, bridges and roads. Funds need to be allocated in the current budget and through funding of reserves to meet ongoing and future repairs, maintenance and equipment purchases.
- Expenses: perpetual and institutionalized increases to the budget. The Committee remains concerned that costs added to the budget often remain in perpetuity.
- Personnel Administration: medical insurance, retirement, and pay increases.
- Medical Insurance: continued diligence regarding changes to the health insurance industry, especially as the Affordable Care Act impacts the health care industry and the insurance marketplace.
- Legal: in addition to annual legal costs, the expense of the defense of the utility suit.
- Fuel: fluctuations both positive and negative in prices, and
- Continuation of existing services to the Town.

2014 BUDGET

During the past year the Budget & Advisory Committee met with the Town Administrator, Selectmen and Department Heads to review current year spending and proposals for the 2014 budget. The Committee also met separately to review budget proposals and discuss its recommendations. All meetings are open to the public and held in the meeting room at the Town Offices; interested parties are always encouraged to attend. Notices are posted at the Post Office, bulletin board at the Town Offices and on the Town's website.

For 2014 the Committee's goal was to limit the total amount to be raised from taxation and a majority favored maintaining a "flat" tax rate as compared to last year's rate without the temporary bridge. A majority of the Committee supports the Operating Budget as presented in this annual report. For more information on the budget and other warrant articles, please see the Budget & Advisory Committees findings and recommendations that will be published prior to the 2014 Town Meeting.

On behalf of the Committee, many thanks to Mike Branley, Town Administrator, for his work in preparing the budget and providing timely information to the Committee.

And finally, thanks to my fellow Committee members, Abby Dawson, Henry Kunhardt, Bill McAuley and Nick Wilder, for their participation in and dedication to the preparation of our 2014 budget recommendations.

Respectfully Submitted,

Charles M. Pyle, Chairman Francestown Budget & Advisory Committee

FRANCESTOWN'S SIX YEAR (2014-2019) CAPITAL IMPROVEMENT PLAN

The first and foremost purpose of the Town's Capital Improvement Plan (CIP) is to provide a valuable planning tool which should help the Town to anticipate, prioritize, coordinate and manage its capital expenditures.

After years of losing ground in the effort to maintain the Town's infrastructure, there is finally some good news. Thanks to some unanticipated and sizeable revenues, we have the opportunity to make some significant gains and reduce the risk of future crises. The return of health care premiums, discovery of taxable assets we had previously been unaware of and other miscellaneous items make it possible for the Select, Budget and Planning Boards to all recommend supplementing the 2014-2019 CIP with \$205,000 of undesignated fund surplus (UFS). These monies will not dip into the existing UFS balance. They will allow the Town to replace the Scoby Pond bridge before it is deemed to be no longer safe, to replace the fire station furnace and do external repairs to the building, to repair the clock faces before they damage the hands and mechanisms, to paint the front of the town hall, to replace the file server in the town offices, to install a dedicated emergency generator at the police station and to engage consulting services to help complete the long over-due Master Plan update. This one-time infusion of funds along with the annually budgeted increase will put the CIP on more stable footing. It will not, however, mean we are setting aside adequate infrastructure funding in the latter years of the plan.

The other major change to the six year plan is more controversial: an approximately \$1,000,000 project to upgrade the town hall, \$350,000 of which is proposed to come from a bond. The bond, to be proposed at Town Meeting, would not effect the 2014 tax rate, but would add about \$.21/\$1,000 assuming a ten year term and a 3.5% interest rate. The Select Board voted 2-1 in favor, the Planning Board 4-3 in favor and the Budget Committee 2-2 against. Discussion points include: costs vs benefits, scope, urgency and means of funding.

The breakdown of the \$459,360 of proposed net CIP spending (appropriations less withdrawals from reserves and other sources of non-property-tax revenue) for 2014 is listed in Column 2 of Exhibit 1 on the next page. Also included in Exhibit 1 are the articles as actually proposed by the departments/Selectmen. Note 2 indicates if the Selectmen and the Budget Committee recommend approval of a particular warrant article. Column 5 shows the estimated impact of a warrant on the tax rate after revenue offsets are taken into consideration. Exhibit 2 provides an overview of the full six years of the plan and reflects the proposed cost of bonding for the town hall.

The summary of this year's CIP is provided to assist you in your decision making at Town Meeting. If you would like a copy of the complete plan or have any questions about the plan and how it is prepared, please contact the Planning Board.

Respectfully Submitted,

The Planning Board

The Board of Selectmen

The Budget & Advisory Committee

*The tax impact of the bond will not be felt until 2015. Cost will depend on term and rate at the time.

Note 1: Estimated Tax Impact per \$1,000 of assessed property valuation is based on actual warrant proposal.

Note 2: In Column 4, an S notation indicates that approval of the warrant article is recommended by a majority of the Board of Selectmen and a B indicates the positive recommendation of a majority of the Budget Committee.

Note 3: In Column 5, R indicates financing in part, or in whole, from reserves; UFS indicates withdrawals from undesignated fund surplus; P indicates partial financing from private donation or grant.

Note 4: "Warrants" as used above does not include the operating budget.

** Excluding bond and bond-related payments, which is part of CIP, but which is not discretionary

The Francestown Volunteer Fire Department (FVFD) responded to 145 emergency calls in 2013. The Fire Department conducted 12 business meetings, 11 rescue meetings, 48 Sunday truck and equipment checks, 767+ hours of in-house training.

This equates to 2,169 hours of staffing to cover Emergency calls and another 1802 hours to cover Non-Emergency Incidents. The total Volunteered time for 2013 was 4738 hours.

In 2013, The Francestown Fire Department was successful in attaining funding for Personal Protective clothing to be used in fighting forest fires through the Volunteer Fire Assist Grant. The Department received a total of \$850.00 from this grant.

A new Zoll X series Cardiac Monitor and Defibrillator was acquired for our Rescue Unit. Fifty percent of the cost of this machine was paid for with a donation from the Mount Crotchet Fire Fighters Association, the remaining raised by Town Meeting.

We had five new members join the Fire Department in 2013, three of these new volunteers took an EMT course, increasing our EMS personnel.

At this time I want to express my thanks to the men and women of the Francestown Volunteer Fire Department and Rescue Squad for their many efforts and services in 2013.

I would also like to thank the residents and guests of Francestown for their continued support.

In closing I would like to remind our community that the best way to save lives and property is early detection and notification of a fire or medical emergency. Please, always be careful with fire. Change CO and Smoke detector batteries annually, check to ensure each device is in proper working order, and have a family evacuation plan in place.

Respectfully Submitted,

Larry Kullgren
Chief of Department

REPORT OF FOREST FIRE WARDEN & STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

This past fire season started in late March with the first reported fire on March 26th 2013. April, which is the traditional start to our spring fire season, started very dry with little measurable precipitation until the middle of the month. Approximately 70% of our reportable fires occurred during the months of April and May. The largest fire was 51 acres on April 29th. 81% of our fires occurred on class 3 or 4 fire danger days. By mid May, extensive rains began which provided us with a very wet summer overall. We had a longer fall fire season due to drier than normal conditions following leaf fall. Fortunately most of these fires were small and quickly extinguished. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2013 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

AUXILIARY – FRANCESTOWN VOLUNTEER FIRE DEPARTMENT

2013 Auxiliary Annual Report

Officers elected for 2013

President:	Karen St. Cyr
Vice President:	Linda Abbott
Secretary:	Donna Barbalato
Treasurer:	Judi Miller

The Auxiliary is committed to supporting the Francestown Volunteer Fire Department with service and financial support, as well as extending service to our Francestown neighbors and beyond. In addition to providing refreshments for the fire company at extended calls and during various training sessions, 2013 was an exceptionally full year of activity, as well as a milestone year, for the Auxiliary.

In March, the Auxiliary provided refreshments at the deliberative session of Town Meeting, a long-standing tradition, as well as an Auxiliary fundraiser. The FVFD hosted its annual March meeting of the Hillsborough County Forest Fire Wardens at the fire station. The FVFD is the only local fire department that continues the practice of including a home-cooked dinner for at least fifty guests, always cooked and served by the Auxiliary.

In June, the community celebrated the lives of residents Ron Smart, Bert McClary, and Stephanie Barker with services at the Community Church of Francestown. The Auxiliary was honored to host two of the receptions and assist with the third one.

On Sunday, August 4, over 100 guests attended an event honoring O. Alan Thulander and the Dedication of the Heritage Museum, as the building was transferred to the Town. It was an honor for the Auxiliary to provide refreshments at this event.

The 2014 edition of the Francestown Telephone and Business Directory began production in September. The directory project is our major fundraiser, provides a service for our community, and supports the "shop locally" initiative with ads from local businesses.

The Auxiliary was represented as one of the town organizations at the first Town Hall Activities Day held on September 21 in celebration of the official re-opening of the Town Hall following preliminary repairs.

In observance of Fire Prevention & Safety in October, the Auxiliary partnered with the fire company with a presentation at the fire department for FES and home schooled children and their families. The Auxiliary provided refreshments and Toadstool Literary Vouchers for the four classrooms, grades K – 4, at FES.

The November 11 Veteran's Day luncheon at the FIHS Lodge was proudly hosted by the Auxiliary and attended by over 100 guests and participants.

At the close of the November Auxiliary-hosted blood drive, a record 1006 pints of blood had been collected at Francestown's semi-annual blood drives. Held in May and November, they began eleven years ago when we contacted the Red Cross in response to 9/11, and the earliest open date was the following May. As many as 3018 patients may have been helped by the generosity of residents from Francestown and over a dozen nearby towns! We extend our deepest gratitude to everyone who helped reach this goal.

The Auxiliary is also a proud supporter of two community services that are very important to us -- the Welcome Basket (Lori Hardwick-Way and Diane Noonan) and Community Santa.

Thank you, friends and neighbors, for your continued support of our endeavors.

Respectfully Submitted,

Karen A. St. Cyr
President

POLICE DEPARTMENT

Francestown Police Department received approximately \$9,600.00 in patrol grants from the NH Highway Safety Agency during 2013. The patrols were conducted during regular commute times, as well as in the evenings, specifically targeting impaired drivers. The patrols were conducted from April through September. These patrols gave the department the opportunity to have twice the vehicle interaction it had in 2012. I believe this had a positive effect on the flow of traffic through the Town.

Francestown Police Department held its 3rd Drug Take Back event in the fall and, was again very successful. 39 pounds of prescription and over-the-counter drugs were taken in for proper disposal. Drug dependency and abuse issues are a huge problem throughout the State. Users are looking to obtain prescription and over-the-counter drugs at any cost.

We are still seeing an increase in requests for concealed carry permits, along with questions concerning ownership, safety, and use. Please, when considering using anything new, educate yourself about the proper use and safety. If anyone is in need, we have free cable locks available to help with the secure and safe storage of your firearm(s).

Please remember to register your dog(s) by April 30 to avoid being served with paperwork and extra fees.

In 2013, 2,546 Calls-For-Service were documented. Here are some of the more notable figures.

4	Abandoned Vehicles	23	Accidents	36	Alarms
6	911 Hang-ups	53	Animal Calls	1	Assault
0	Assault (Sexual)	98	Assist Other Dpt./Off.	9	Arrests
474	Building/Property Check	1	Burglary	4	Computer Crimes
6	Criminal Mischief	0	Criminal Threat	2	Criminal Trespass
3	Disabled MV's	2	Disorderly Conduct	487	Directed Patrols
5	Domestic Disputes	7	Fingerprints School/Other	5	Harassing Comm.
6	Juvenile Complaints/Truant	3	Littering-Dumping	3	Missing Persons
10	M/V Complaints	1	Neglect	6	Noise Complaints
1	Neighborhood Disputes	0	OHRV Accidents	2	OHRV Complaints
4	Open Door/Window	0	Protective Order Violations	1	Protective Orders
17	Public Relations Talks	3	Parking Problems	38	Paper Service
8	Shots Fired	0	Stalking	14	Theft
1	Theft Motor Vehicle	1	Town Ordinance	8	Traffic Checkups
667	Traffic Warnings	46	Traffic Citations	8	Welfare Checks
1	Untimely Death				

Please have a safe and prosperous 2014.

Respectfully Submitted,

Chief Stephen P. Bell

ROAD AGENT REPORT

The 2013 season had the Highway Department building a temporary bridge on the 2nd NH Turnpike South. We assisted Hansen Bridge to install a temporary span across the Piscataquog River. With the cooperation of NHDOT we were able to secure bridge beams on a short term loan basis and purchase the jersey barriers at a very reduced rate. With the engineering help of CLD Engineers for the design and assistance of Henry Kunhardt in overseeing the project, it went very well and was accomplished quickly. Once the temporary bridge was done, the Department moved on to more routine maintenance items.

The temporary 2nd NH Turnpike South Bridge

This year we replaced culverts on Poor Farm Road and Wilson Hill Road. At the same time as the Wilson Hill culvert, we also implemented a new to us geogrid mesh that we installed 18 inches below the road surface. The product claims that it not only separates unsuitable from selects, but also helps to lock selects together. This creates a tighter road surface and reduces potholing. We'll see...

We did culvert cleaning on Poor Farm Road, Bible Hill Road, Hay Hill Road, Wilson Hill Road, Back Mountain Road, Muzzey Road as well as other troublesome culverts elsewhere. Cleaning culverts can include backhoe, loading out material and follow-up flushing with the water truck. The water truck was also used to enhance the calcium chloride program. By using a dry flake chloride, I feel we get better results by only applying water when the weather doesn't do it for us. With the amount of chloride we purchase, plus the residual effect of past applications, we can cover most of our dirt roads.

Another project we were involved in was significant shoulder work on Wilson Hill Road and in front of the Golf Course. Ditches were created and vegetated or stone lined, to carry water away from the edges of the pavement and to existing culverts or turnouts. The result was an effective and good looking job.

We also continued pavement preservation with the application of a sand seal to the Turnpike South, Todd Road and King Hill Road. This program provided expected results from last year and will hopefully continue in the future. Another part of pavement preservation is the crack sealing program. Used in tandem with sand sealing, crack sealing is an important tool in keeping our roads together. A quick explanation of the two processes: crack sealing targets the cracks only to seal out water. Sand sealing is a full surface treatment that protects the complete paved surface from water and UV degradation.

Along with this we did reconstruction and overlaying on Pleasant Pond Road.

Routine grading, graveling and hauling winter sand kept us busy late fall of 2013.

Respectfully Submitted,

Gary Paige
Road Agent

ROAD IMPROVEMENT PROGRAM

Pleasant Pond Road reconstruction went well again this year. We began with full depth reclamation to grind up the asphalt surface. This created a reusable product and also makes excavation of the road bed easier. The next phase was a combination of removing and replacing unsuitable to a depth of about 3' (less when possible) and replacing with 4" primary run gravel, removal and replacement of culverts as we went, under drain installation, and shouldering to enhance drainage. This was followed up with about 6" of crushed gravel on top and a vibratory roller for compaction. This was all topped by a 2" binder course and 1" top of asphalt. In all about 1425' was reconstructed. The road reconstruction program is closed out for 2 years for the bridge program.

Pleasant Pond Road Reconstruction

Bridges are a recurring concern for the Town of Frankestown. Along with the two bridges closed last year, we've had another round of inspections that were less than glowing.

This year the NHDOT bridge inspectors recommended lowering Scoby Pond Bridge from E-2 to 10 tons. An E-2 posting is 80,000 lbs. They also said bridges on Old County Road North, Juniper Hill, the unpaved portion of Russel Station Road, and Cressey Hill all had issues that are worthy of a higher level of scrutiny. The Juniper Hill Bridge is on the State Bridge Aid list, but the others are not. A call to the NHDOT Bridge Bureau in January had the list out to 2021. Concerns raised by inspectors range from stones in the headwalls shifting to section loss on some steel beams to corrosion and buckling of some of the metal pipe culverts.

Town Officials have been looking into doing some of these smaller projects on our own. The feeling is we can accomplish these jobs with assistance from qualified contractors and our own men, materials and equipment. If we do some of these on our own, the Town would have control of the size and scope of the project. Preliminary investigation indicates we could provide an adequate waterway and travel surface without the "big bridge" look. We are currently looking into a project at Scoby Pond for the upcoming year. As a point of information, along with the bridge report for Scoby's last inspection was a follow-up phone call from the Bridge Bureau stating this was a "short term posting at best".

The 2nd NH Turnpike South Bridge is scheduled for replacement in the summer 2014.

ANIMAL CONTROL OFFICER

2013 Report

Breakdown of calls for 2013

Dogs –

Missing	12
Strays	30
Found Owner	19
Nuisance	2– includes barking, roaming, chasing deer, bothering farm animals
Dog Bites	1

Cats –

Missing	1
Strays	1

Livestock	2 – goats, guinea hens
Wildlife	7 – raccoon, opossum, turkey
Other	4 – includes concerns for animal's welfare

Total calls 79

To help re-unite owners with their pet(s) when they go missing, please call so I am aware that your pet is missing.

This year's rabies clinic was a success. A rabies clinic will be held in April 2014 – watch for posters as to the date and time. State law requires cats be vaccinated against rabies. Remember, when attending the rabies clinic, cats need to be in a carrier and dogs on a leash. Please remember to bring along your animal's current rabies certificate.

State law required all dogs over 3 months old be licensed by April 30th each year. Remember – in addition to the license fee – there is an additional fee after June 1st to license your dog (\$25.00 Forfeit Fee and \$1.00 per month for each month you are delinquent). Proof of rabies vaccination (a rabies certificate) is required to license your dog – make sure to bring the certificate with you when you go to the Town Office to license your dog.

Once you have licensed your dog, please put the license tag on your dog's collar – this helps us locate you should your dog wonder off. Pick-up fee - \$20.00; care of animal - \$10.00 a day.

Respectfully Submitted,

Donald C. Abbott
Animal Control Officer

EMERGENCY MANAGEMENT DEPARTMENT

Our focus in 2013 was on improving the planning that our town does to prepare for and to mitigate natural disasters.

The town's Hazard Mitigation plan was successfully revised and submitted to FEMA for approval.

We will turn our focus in 2014 towards improving the street addressing and town mapping that is needed to assist town responders.

We also continue to explore grant funding opportunities to enhance public safety and emergency preparedness. The town is in the last steps of the process to obtain funding for an emergency generator for the Police department building. This will ensure that local law enforcement is able to fully function during periods of severe weather.

Franeestown citizens can go to **www.nixle.com** and subscribe to the "**Franeestown Public Safety**" feed to receive messages from the Town's emergency departments. We also have a Face book page- *search for "Franeestown Emergency Management"*. We will use these sites to provide emergency information and updates from other agencies such as PSNH.

Should you have any emergency preparedness questions, please feel free to call or email me.

Thank you,

Kevin Holdredge
Emergency Management Director
(603) 486-7595
mfd552@yahoo.com

BUILDING DEPARTMENT/CODE ENFORCEMENT

The first of the year I took over the Building Inspector Position from Peter Hopkins. Peter had retired and I was available for more part time hours, as I am the New Boston Code Official as well. Along with any new job, come new and challenging goals and objectives. Things started slow, as they usually do in the winter months. That was a good thing, as older building permits and plans needed review and office procedures set up. As spring came more property owners and contractors stopped by with introductions and questions about their projects. Permits for new homes, renovations, garages and horse riding arenas were issued. During the Summer these projects progressed and inspections were conducted. Many are finished and others will take many more months.

The Town of Frankestown supports and enforces the State of NH Building Code which includes many of the International Code Council collection of codes. Included is the International Residential Code that covers many elements of one and two family home and their accessory buildings. Without a doubt the most referred to building code in Frankestown, the IRC covers everything structural, plumbing systems, and energy conservation. Electrical and fuel codes such as propane gas are covered in other safety codes.

A permit to build a new building is required in Frankestown. Anything over 200 sq. feet needs a building permit but smaller structures need a zoning permit. Renovations that are substantial, or include electrical or plumbing changes, need permits. Please contact the office to discuss the permits needed for your project.

Zoning is a major part of my responsibilities. Zoning regulations help to maintain the community's desire for order and structure. It regulates how a neighbor's actions may or may not impact an abutter or an entire neighborhood. Your Planning Board works to establish zoning regulations and it is my position to enforce them. Like any laws, rules or regulations, some like them and others don't. It is up to the local Planning Board to seek changes and you as a citizen vote for or against.

Respectfully Submitted,

Ed Hunter
Building Inspector/Code Enforcement Officer

PUBLIC ASSISTANCE

The Public Assistance Department provided assistance to eight Francetown families in 2013. Two of these families required on-going assistance and others received assistance more than one time during the year. We have seen the amount of time residents require assistance decrease this year. The wood bank remains a source of heat for a number of residents in town. Thank you Tom Anderson for all the help to split the wood and for those who helped to stack it.

A special thanks goes to the Crotched Mountain Resort, St. Patrick's Church in Antrim, Francetown Friends, and the Francetown Community Church for their donations at Easter and Thanksgiving and for the Christmas meals and gifts for eight families in Francetown.

The Public Assistance Department provides basic necessities such as food, shelter, utilities, and transportation when qualification standards are met. It is a timely process; however an application must be completed and verified. At times, there are other needs that arise that may not be covered by the regular program. For this reason, the Public Assistance Department now has a Trust Fund set up and the help of a local non-profit organization, Francetown Friends. Both of these sources accept donations year round to assist with these needs. These funds are used when a need arises that falls outside of the guidelines. For example, a job training class, a driver's license renewal fee, a payment to an electric bill in arrears, or a car registration could be taken care of for a family. This is a wonderful opportunity for anyone who wants to help a local family by making a donation to the Trust Fund or Francetown Friends.

If you find yourself in need, please contact me at 603-860-1120 or email me at sanpan59@juno.com. If you know of someone who requires assistance, please encourage them to contact me directly.

Respectfully Submitted,

Phyllis A. Naegeli
Public Assistance Administrator

CONSERVATION COMMISSION

Annual Report 2013

First, it must be noted for the record that there were errors in the list of conservation properties in last year's annual report. The Varnum easement was listed as 5.6 acres and should have been 45.6, and Humphreys was listed as 3 acres and should have been properly listed as 12.3. Under other town-owned conservation land the Crotched Mt. property is listed as 57 acres and should have been listed as 232.93 acres. My sincere apologies for these errors and any confusion or concern this may have caused.

After school hike in the Town Forest

A significant achievement this year was the completion of the Conservation Plan and updated Natural Resource Inventory. This was accomplished thanks to work group members Barry Wicklow, Ben Haubrich, Betsy Hardwick and Linda Kunhardt with guidance and support from the Monadnock Conservancy through their Community Conservation Partnership Program. The project was partially funded through a grant from the NH Conservation (Moose Plate) Program and now that the project is finished we are submitting a request for reimbursement of just under \$5,000.

The annual February full moon snowshoe hike this year was essentially snowed out, though a few hardy souls showed up who, after a very short walk, enjoyed some delicious cookies and hot cider at the nearby home of Gerri Bernstein. We co-sponsored a bird watching hike in June and sponsored an educational walk in the Shattuck pond town forest with consulting forester Ron Klemarczyk. Native plant seedlings were given to elementary school children in the spring, and in the fall the children and their parents enjoyed an after school hike through the Crotched Mountain Town Forest. And once again the NH Coverts program – a program through the UNH Cooperative Extension that educates volunteers on wildlife habitat and conservation issues – held part of their training program in the Crotched Mountain Town Forest.

Blue trash bags were provided for the annual roadside cleanup in April. We participated in the Town Hall event sponsored by the Heritage Commission in September. Several commission members attended the annual Saving Special Places conference in April and two members attended the NH Association of Conservation Commissions annual meeting and educational workshops in November.

Consulting forester Ron Klemarczyk of FORECO completed an updated forest management plan for the Crotched Mountain Town Forest. Linda Kunhardt developed a habitat management plan for a rare plant species on town conservation property. Invasive species control work was done in the Rand Brook Confluence conservation property by Vegetation Control Service Inc. which consisted of a carefully controlled herbicide treatment of targeted species including Japanese knotweed, multiflora rose, and autumn olive and oriental bittersweet. Once again we were unable to access the duck boxes to clean them out due to weather and weak ice conditions.

Permission was granted for the Hampshire 100 bike race and trail runners to use the trails in the town forests and \$100 received from them to help offset trail maintenance costs. Stephen Leavitt was authorized to trap in the Shattuck Pond and Crotched Mountain town forests. His primary interest is in trapping beaver - wildlife educators from UNH Cooperative Extension recommend trapping in order to maintain a population of beaver (where wanted!) as it helps ensure that the population does not exceed the food supply.

Commission members viewed and discussed environmental questions related to wetland applications for road/culvert work on the Second NH Turnpike South and on State Route 136, reviewed wetland permit applications, a variance request to the ZBA for a septic system and updated our short term Conservation Action Plan.

Dinsmore Conservation Area

New trail markers were purchased for the Summit Trail on Crotched Mt. to replace and add where needed. Volunteers and commission members worked on trail maintenance in the Crotched Mt. town forest and the Dinsmore Brook Conservation Area. Ben and Robin Haubrich offered to adopt a specific section of trail in the Dinsmore area – to regularly maintain - which led to discussion about recruiting other volunteers to adopt specific sections of trail in our forests. It was agreed to actively pursue this idea next spring. The pedestrian bridge on the Link trail needs to be reconstructed next year – we are hoping to have the materials for this delivered soon and the bridge completed by volunteers. Crabapple trees in the town forest did not fare well this year and a number have succumbed to weather and insect damage. The wildlife fields are past due to be mowed and should be done next year.

Southern NH Planning Commission, NH Department of Environmental Services and Trout Unlimited completed a culvert assessment and provided reports to Piscataquog River watershed towns including Francestown. They also initiated a fluvial erosion study this summer and a report on that is expected to be ready sometime next year. Several commission members attended an informational program in New Boston on the erosion study which is expected to help communities with hazard mitigation planning.

Amanda Stone, project leader from the NH Fish & Game Community Assistance Program provided information to members about free educational programs and opportunities available related to wildlife and wildlife habitat. These will be investigated and initiated next year. Easement monitoring of town-held easements was completed; no problems encountered. Received and approved the invoice from the Forest Society for the Stewardship fee of \$10,000 for the Crotched Mountain easement. Recommended some minor changes to Zoning Ordinances including; to allow above ground storage of propane within 50 feet of the wetland and vernal pool district, and to simply reference the state RSA regarding cutting trees within shoreland district setbacks as the existing ordinance language is considerably different than the revised state law.

We continue working cooperatively with the Francestown Land Trust (FLT) and the Piscataquog Land Conservancy (PLC) and pledged funding towards two projects including \$12,000 towards the Brennan Brook/Bullard Hill Schott property for an Executory Interest (or secondary easement interest), and \$7,500 towards the 37 acre Collins Brook/Herman Miller property for a trail/access easement from Old County Road N. to the

Dinsmore Brook Conservation Area. The easement will include the right to create a trailhead parking area off Old County Rd. North and the new trail will provide not only a nice new scenic trail to the Dinsmore area but a connection all the way from the golf course to Shattuck Pond and into Deering.

Hikers at Brennan Falls and Brennan Brook
mill pond on the Schott property.

The 149 acre Schott property is located within the large 6,000 acre unfragmented area surrounding Crotched Mountain - much of which is already conserved- and contains Brennan Brook Fall and part of our 'lost village'. Both projects were awarded funding from the highly competitive NH Land & Community Heritage Investment Program confirming our conviction that they are of highest conservation value.

The FLT's 180 acre Avery Brook project supported by the Con Com was finalized in December. This project received funding from the NH DES Aquatic Resource Mitigation Fund Program (ARM grant) and several other smaller grants and private donations. The Commission pledged funds towards this project but due to an inadvertent error in the final easement language and timing reasons it did not happen. Thanks and congratulations to Barry Wicklow and the FLT board for their hard work successfully completing this project.

The Conservation Commission has a statutory duty to see to the proper utilization and protection of the natural resources and watershed resources in our town and we continue to endeavor to do so. We remain committed to helping conserve and manage our natural resources in the most appropriate and effective way possible; promoting sustainable forestry and agriculture, water quality protection and wildlife habitat conservation, and will continue to work cooperatively with other natural resource organizations to do so.

We thank all who help and support our conservation efforts throughout the year.

Respectfully Submitted,

Betsy Hardwick, Chair

PLANNING BOARD

The 2013 Planning Board received and acted on requests for: four Consolidations, two Site-Plan Reviews and one Compliance Hearing. There were no requests for Sub-division approval. Please see case report below for details.

Further planning board actions included: minor update to Subdivision Regulations; recommendation to rejoin membership in a Regional Planning Commission District (Southern New Hampshire Planning Commission District); and review of the zoning ordinance. The ordinance review resulted in amendment proposals presented as seven ballot questions on the 2014 Warrant. Articles 2, 3 and 4 intend to provide consistency with state statutes. Articles 5 and 7 intend to address issues brought forward by the Building Inspector. Articles 6 and 8 intend to address issues raised during site-plan reviews.

The board also worked on the zoning ordinance section Article IV SIGNS. The board has agreed to continue work on this section.

Master Plan progress: the Master plan sub-committee delivered a draft for a majority of the Community Facilities section. A Natural Resource Inventory (NRI) section is near completion and anticipated from the Conservation Commission. These documents, following a Public Hearing, may soon be adopted as updates to our Master Plan.

Regular meetings of the Planning Board are held on the third Tuesday of the month; other meetings scheduled as required. Copies of the Zoning Ordinance and the Land Development Regulations, including application forms and fees, are available on the town website.

2013 CASE REPORT

Franeestown Land Trust - Approved four sets of consolidations: (M2/L21, 8 and 8-2); (M2/L9, 7 and 1); (M2/L3 and 4); (M3/L42-3, 44-1, 45 and 109)

George Cilley, Jr. (M8/L80) - Approved a site development plan to expand use as a maple sugar producer to include selling of grain, local agricultural products and nursery items.

William and Christina Wohle (M6/L65) - Approved a site development plan to operate a year round farm and garden stand.

Crotched Mountain Ski and Ride (M7/L15 and M7/L6a) – (ongoing) Found CMSR to be NOT IN COMPLIANCE with the 4/9/2012 Conditional Approval of a site-development plan to reclaim/expand ski trails, replace/reconfigure lift and extend/improve snowmaking and lighting. Enforcement action was recommended to the Selectmen.

Linda Kunhardt, Chair

ZONING BOARD OF ADJUSTMENT

Annual Report - 2013

The New Hampshire Revised Statutes Annotated and the Frankestown Zoning Ordinance give the Board of Adjustment the power to: (1) hear appeals from administrative decisions relating to the enforcement of the Zoning Ordinance, (2) grant Special Exceptions under the Ordinance, (3) authorize Variances from the terms of the Ordinance, and (4) grant Equitable Waivers from compliance with the dimensional requirements of the Ordinance. In each case the power of the Board is strictly limited by the terms of the Statutes and the Ordinance. Persons wishing to bring a matter before the Board should examine the Ordinance before filing an application. Copies of the Ordinance, application forms and filing fees are available at the Town Offices and on the Town Website.

During 2011 the Board heard the following cases:

- David Jonas Revocable Trust (Tax Map 6, Lot 26) – granted a variance to install a septic system, which installation results in less than 100 feet separating the tank and leach fields from the edge of wetlands.
- George Cilley (Tax Map 8, Lot 90) – granted a special exception to allow a retail store/farm stand for grain and local products.
- William and Christina Wohle (Map 6, Lot 65) – granted a special exception to operate a commercial retail establishment with conditions.
- Claire McCarthy (Map 3, Lot 40) – denied a variance to build a shed within the 50 foot side setback.
- SNH Development, Inc., a/k/a Crotched Mountain Ski area (Map 12, Lots 1, 1A, 1B, 1C, 1D and 1E and Tax Map 7 Lots 6K and 15) granted a variance to permit placement of lighting fixtures LL-P-1 to the summit, MM 1-4, FE 1-5 and SS-2 with the condition that the newly installed lights have visors shields added to the fixtures per article 3, Section 15 of the Frankestown Zoning Ordinance.

For a complete copy of notices of decision, including conditions, please contact the Board of Adjustment, Town Offices, Frankestown, NH 03043. Meetings of the Board of Adjustment are scheduled for the second Thursday of each month, as required. All meetings are open to the public.

CEMETERY COMMISSION

There were 11 interments and 6 lots sold in 2013.

Some of the aging maple trees received attention this year. We must have an ongoing plan to prune as needed, to help maintain the health of these beautiful old maple trees.

A sugar maple has been donated and planted in #3 Cemetery, by the Cyr family, in memory of Marianne Cyr.

Cemeteries #1 and 2 have also required some tree removal and care.

There has been some gravestone repair in #2

We continue to be grateful to Robert Abbott for his thoughtful help and advice.

Polly S. Freese, Chair
Ethel MacStubbs
Elizabeth Wiederhold

HERITAGE COMMISSION

During 2013 the Heritage Commission continued to focus on the structural upgrades of the Town Hall. With funding from the Town and the LCHIP Grant the basement support system was completed and we were pleased that the project came in slightly under budget. Additionally, further attic repairs, which came to light while working on the trusses, were completed.

This allowed for the reopening of the Town Hall for Labor Day events. While the six columns were (and still are) supporting the weight of the first floor

ceiling and second floor, it was a welcome venue for the week end.

The Heritage Commission sponsored an Activity Fair September 21st to celebrate the reopening of the Town Hall. Guests from LCHIP joined us in the reopening and many attendees took tours of the building and the Heritage Museum which was formally turned over to the Town in August. Various town groups set up displays and the Boy Scouts provided an honor guard. We thank all who participated.

Two Public Meetings were held to discuss the possible future use and design of the Town Hall. Mike Petrovick donated his time and drew up modified conceptual plans that encompassed the ideas and suggestions from the first meeting in November of 2012. The plans were well received. After additional research it is clear the building code requirements will necessitate certain adaptations that may limit some of the ideas. We will be holding additional Public Hearings and hope you will attend to share your thoughts and ideas.

During this process Mike offered to contribute not only his professional services but that of his support staff to provide all the necessary architectural service the Town will need to move the project forward to completion. This extremely generous donation not only saves the Town money, but allows us to use the valuation of the services to be an “in kind donation” which in many case Grantors will allow to be counted as a portion of the matching funds needed to satisfy the financial requirements of the recipient.

This, coupled with the unprecedented full funding of LCHIP for 2013 and 2014 has opened up a possibility that the Heritage Commission thinks should be explored. A grant application will be looked at more seriously if there is evidence most of the requisite matching funds are in place. When the CIP meetings brought up the idea of a Bond for the Town Hall construction, it seemed like a feasible solution. If grant money is not awarded the bond would not need to be exercised. In that case there would be no financial impact on the Town. There is a Warrant Article being presented to you March 15th 2014. Please give this solution your consideration.

Thank you all who have helped us this year in so many ways-donations, time and support.

Respectfully Submitted,

Maureen von Rosenvinge, Chair

PATRIOTIC PURPOSES COMMITTEE

The Patriotic Purposes Committee held the Memorial Day Service Friday, May 25th. A parade from the Francestown Elementary School to Cemetery #3 was led by Roy Pywell, a retired Pipe Major in the British Army, who delighted all in attendance with his bag piping skills. The service was held, as it is annually, at the G.A.R. monument. After all recited the Pledge of Allegiance, AF Veteran Larry Johnson read patriotic poems, and patriotic songs were sung by the FES school children. Reverend Boisvert said a prayer and Army Veteran Sgt. Carbee laid the laurel wreath. A representative from each class placed a potted geranium by the monument.

Each student was presented an American flag before they marched back to the school. Following the service, the participants went down to Cemetery #2 and then on to the Memorial Rock at the Old Meeting House common. Lya Seppanen of ConVal played Taps fore and aft at each of the respective sites.

On November 11th, always at 11 AM, Veterans Day was observed. The Monadnock region's shortest parade was held with the Town's Color Guard and the American Legion Post 50 Antrim Rifle detail. This year Francestown Boys Scouts and a single Brownie participated. The Rev. Beth Boisvert of the Francestown Community Church said a prayer and ConVal student Joseph Edwards of Antrim played Taps. Immediately following a wonderful buffet luncheon was put on by the Auxiliary to the Francestown Fire Department at the FIHS Lodge (former Masonic Hall). Approximately 100 attended, representing town citizens, residents from area towns and many Veterans from Francestown and the surrounding communities.

GEORGE HOLMES BIXBY MEMORIAL LIBRARY

Annual Report of the Trustees

The year 2013 has been a year of celebrating the past, dealing with present day issues and anticipating the needs of the future. From spring until winter a banner proclaiming that we were CELEBRATING 90 YEARS was suspended from the second story of the library's front façade. The Friends of the Library had a great first year as a new organization. Among other things, they held a Cupcake Extravaganza to raise funds for a town-wide birthday celebration with cake, music and displays which showcased the literary and artistic talents of many of our residents. The front entrance of the original building was refurbished with funds raised by the 90th Anniversary Calendar sales spearheaded by then Trustee Chair Nancy Hibbard. The time and talents of members of the Friends of the Library, as well as other patrons of all ages, resulted in a beautiful float which won Grand Prize in the annual Labor Day parade. The torrential rain neither deterred this group nor dampened their enthusiasm.

However, the year was not all fun and games. By year's end, Library Director Carol Brock and Children's Librarian Mary Farrell had made substantial progress in the automation of the library's collection while still providing us with the programs and resources we have come to enjoy at 52 Main Street. With the help of local engineer Henry Kunhardt, the Trustees worked with the Selectmen and the filtration system of the geothermal well was finally completed. Drainage from the front of the building is being monitored in the lower level of the library. The Trustees continue to work with the town to ensure that our historic building and grounds are repaired and maintained as needed. Chimneys and windows will be addressed in the future as the budget allows.

Trustees Nancy Hibbard (Chair) and Gloria Normile (Secretary) retired at the end of their terms. Stephanie Lee completed her term as Alternate Trustee. The Trustees accepted with regret the resignation of Cathy Gombas (Treasurer) after two and a half years of her term. Elizabeth Hunter Lavallee and Paul Lawrence were elected Trustees in the March election. Mike Petrovik, Robin Haubrich and Janet Hicks were appointed Alternate Trustees. The library is a better place because of their dedicated service. The Trustees and Librarians again sponsored the November Community Supper.

In a small, rural town like Francestown, the library is much more than a repository of books. It is the cultural heart of the community. Starting with the donation of the original building by Alison Bixby Hill 90 years ago, the generosity and loyalty of many people over the years has made our library possible. It is also a testament to our librarians that, in spite of a challenging economy, the library continues to be the recipient of generous bequests of time and money.

In a major undertaking, Deb and David Adams transferred the library's entire historic interview collection from cassettes to CD's and donated the CD's which can be taken out or listened to in the library on the Adams' equipment.

Karen Morrison, a member of the Palmer family, made a beautiful quilt which was raffled as a fundraiser for the library.

The Francestown News underwrote production of the enormously successful Sirkka Tuomi Holm Shares Her WWII Experiences DVD, while Hilary Graham and Clare McCarthy generously donated their video and design services, respectively. Sirkka, who had spoken earlier in the year about her memories of WWII to a standing room only crowd at the library, has kindly requested that the proceeds from the DVD sales be given to the library.

A public library is a center of learning and knowledge. The Trustees will seek to expand our library's important role in this time of rapidly changing technology in a way that will maximize the library's value to our residents.

The Trustees meet at the library at seven p.m. on the first Thursday of each month unless otherwise posted. The public is welcome to attend.

Trustees of the George Holmes Bixby Memorial Library:

Deborah Rogers, Chair
Kelly Marshall, Secretary
Elizabeth Hunter Lavallee, Treasurer
Paul Lawrence

Alternate Trustees:

Robin Haubrich
Janet Hicks
Mike Petrovik

FRIENDS OF THE GEORGE HOLMES BIXBY MEMORIAL LIBRARY ANNUAL REPORT

Approximately twenty-five Francestown residents expressed interest in forming a group to assist and enhance the local library. The organization of "Friends" has met several times during 2013 and about one third of the members have remained extremely active.

For their first project, several "Friends" donated and installed a "Community Center" located to the left of the entrance on the way to the Children's section.

The "Friends" have helped Library Director Carol Brock achieve her goal of bringing more people into the library during the 90th anniversary year. Their first annual Cupcake Extravaganza in the spring was highly successful, bringing in over \$1,200.

In the fall they helped decorate the Grand Prize winning float in the FIHS annual Labor Day parade. With the librarians, they organized a birthday celebration which included activities, music and refreshments for all of the residents who wished to attend.

They plan to continue their fundraising activities for projects which will enhance the use of our library by the patrons in years to come.

Respectfully Submitted,

RECREATION COMMISSION

We began our year with Baseball. We were again part of the ConVal Cal Ripken Little League. Due to smaller than usual numbers, we combined children from Francestown and Greenfield to form one Francestown team for some of our little league levels. All of our teams represented Francestown in outstanding fashion. They learned good sportsmanship and made great strides in learning the fundamentals and finer points of the game. Good job! Special thanks to all our volunteer coaches. These folks do an amazing job with all our kids.

The Tim Samuelson Memorial Fishing Derby, held in May, was a great success. We had over 75 participants this year. The Recreation Department provided all the fish and the Samuelson Family again supplied us with all the prizes. Prizes ranged from huge tackle boxes, to great fishing poles, bait and stringers. Every participant goes away with a prize of some sort. We are honored to remember this young boy each year.

Our beach was a popular place this year thanks to record high temperatures. Our top notch lifeguard staff is well prepared, organized and cooperative. They keep things running smoothly seven days a week down at the beach and we truly appreciate them. Red Cross swimming lessons were very well attended. Our certified Water Safety Instructors are outstanding and do a great job of keeping the lessons interesting.

Halloween was a treat. Special thanks to FIHS members Abby Dawson and Donna Ehrler for all their help with decorating, baking and hosting. Again this year we used the FIHS lodge for refreshments and everyone seemed to have a great time. Also special thanks to Bub Rokes for providing us with non-stop hayrides throughout the night. The costumes were incredible. We even sparked some interest in making a haunted house for next year.

Our year ended with the construction of the ice rink. Scott Carbee, George Morgan, Bruce Harrington, Bub Rokes and the Francestown Fire Department really made this happen. As of this writing the rink is fully functional and lots of fun.

The Recreation Department is always looking for new faces and new ideas. If you would like to join us, or have ideas for any new activities, please contact me at any time.

Respectfully Submitted,

Donna Noonan

TRANSFER STATION

The transfer station has been very busy again this year. We had a lot of recycling of glass, paper/cardboard, aluminum cans, and plastic/tin. We would like to thank everyone. Also we are saving clean and dry plastic bags.

In October we participated in the program with the state corrections. We were able to clean up and get the buildings scraped and painted. They worked very hard and did a great job and we received many compliments. The new fence is working well except the upper gate. Please be aware the opening isn't as large as it once was. We have had to install a safety gate at the demo box per insurance requirement. We are hoping this year to implement for the cardboard and leaf areas. We also have had to install safety lights in the office, swap shop and e-waste areas. Many have also noticed the safety vests we are now wearing. Safety first.

In e-waste, we have had many hauls as federal mandates it cannot go in the dumpster. Also we apologize it cannot go in the swap shop, even if it does work. Please remember there is a small charge for fluorescent bulbs because they cannot go in the compactor. That is also a federal mandate.

The swap shop is busier than ever. This is a major way we recycle as it keeps it out of the waste stream and so many enjoy the treasures they find. We have been able to save special items for our residents. Some were asked for others it brightened their day we thought of them. So as a reminder, could people please bring in clean, usable pieces and not broken items.

George, George and I would like to thank everyone for their support and for doing a great job recycling. It's always so nice to see those precious dogs and puppies that love their treats. And also to every member of the Waste Disposal Committee, Mike, Wendy and the Selectmen for your continued support and help throughout the year.

Respectfully Submitted,

Heather Ayers and the Transfer Station Attendants

In 2013, the Transfer Station did the following business in tons (major commodities):

<u>TYPE</u>	<u>2012</u>	<u>2013</u>
Solid Waste (compactor)	360	375
Commercial/demolition debris	84	90
Scrap metal	28	32
Glass	66	46
Paper	109	112
Comingled (plastic, aluminum, steel)	32	36
Scrap tires	3	3

Elaine T. McClary
Town Clerk

REPORT OF THE HISTORIAN

There were 1147 registered voters: 379 Republicans, 262 Democrats, 506 Undeclared.

Building permits issued: Total-38, New houses-2, Additions/Outbuildings/Remodels-20, Plumbing-1, Electrical-9, and Mechanical-6.

In March, voters at Town Meeting approved funding \$70,000 to construct a temporary bridge on the Second NH Tpk South and in June the one lane bridge was opened to traffic.

In April, the George Holmes Bixby Memorial Library celebrated its 90th anniversary.

On July 10th, lightning struck the OMH steeple, blowing off some of the exterior siding and damaging a vertical support rib and an electrical connection. The steeple, though visibly damaged, and in need of repairs, was deemed stable enough to continue using the building.

On August 4th, the new Vehicular Museum was dedicated and named the “O. Alan Thulander Heritage Museum” reflecting the years of work and service that Alan has put into this project and into our town.

After months of debate over Crotched Mountain Ski Area lighting, the ZBA agreed to grant the ski area a variance from the town’s outdoor lighting ordinance, but visors must be installed on all lights on the 2012 ski area expansion. This new area is within Francestown town limits.

The Francestown village Store was sold in December. The new owners are Rob and Christina Wohle.

Over 200 acres of land were protected when Francestown Land Trust purchased a 180 acre conservation easement that included the Avery Brook watershed and frontage along the South Branch of the Piscataquog River, and the Carey family donated a 40.9 acre conservation easement.

Francestown Improvement and Historical Society sponsored the 96th annual Labor Day Celebration. Despite a rainy Labor Day Monday, over \$10,000 was raised for FIHS. The parade theme was “Books on Parade” and the Grand Prize was won by the Bixby Memorial Library for ‘Celebrating 90 Years’. During the year, the Historical Rooms were open for summer events, Labor Day and by appointment. FIHS sponsored the June community supper, annual Christmas Tree Lighting, seasonal flowers and holiday wreaths for 12 buildings around town. In May, FIHS loaned soapstone to the Monadnock Center for History in Peterborough. The FIHS lodge on Main Street was open for the Recreation Committee, exercise groups, and in June for the first annual Francestown Arts Festival. Volunteers began cleaning up the FIHS/Coburn Park on Main Street. There were 269 members.

The Old Meeting House held several events during the year including: in May-Tour de Francestown Bike Ride and “A Taste of Americana” with Candice Wharton and students; in June- “Welcome Home” performance by Matt Savage and the annual Francestown Land Trust meeting; in July-NH Humanities Council Adam Boyce presents ‘The Old Country Fiddler Charles Ross Taggart Traveling Entertainer’, Monadnock Music Community Concert, Francestown Open Barns and the Bluegrass Gospel Project; in August- NH Humanities Council Edie Clark presents ‘Baked Beans and Fried Clams How Food Defines a Region’, Nanette Perrotte sings Duke and Ella with Keith Kirkpatrick on bass and piano and the OMH annual meeting; in September-Labor Day Vespers, Ice Cream Social and Tours on Labor Day, NH Humanities Council Rebecca Rule presents ‘Moved and Seconded, Town Meeting in New Hampshire’ and Homer’s Odyssey by Sebastian Lockwood.

The Garden Club had their most successful May plant sale ever with over \$4200 raised. Three applicants submitted essays for the annual scholarship. Danielle Farrell won the \$1500 award with her essay on “Gardening-Best to Be Green”. The club supplied plants and personnel for the Labor Day plant sale which netted slightly over \$500 for FIHS.

Rev Beth Boisvert was pastor of Francetown Community Church.

Francetown student enrollments; ConVal-62, Great Brook-39, South Meadow-4, Francetown Elementary-71, Greenfield Elementary-1, Peterborough Elementary-1, First Friends Program at Antrim Elementary (pre-schoolers)-3, Home School students-15.

Farming Fun 4-H Club had 4 members. Members met 5-6 times a year and worked on independent projects. Projects range from cows and horses to small engines. Members attended various events including Team Conference, exhibiting photos at Activities Day and volunteering at Hillsborough County Fair.

The Francetown Food Co-Op was active in its 39th year. Purchases were made from Associated Buyers of NH 1-2 times a month or as needed.

To the best of my knowledge, residents who served in the armed forces were: US Marine Corp-gunnery Sgt Richard Beard, and Pvt William Dennis Robbins Jr; Air Force-Major Lauren Sheahan-Zelko; Army National Guard-Sgt Richard Roberts; Navy-Ensign Liam Delahanty, Seaman Recruit Erick T. Naegeli.

Francetown mourned the loss of several residents in 2013

January 11, 2013-**Charles Alfred Lord** grew up in Francetown, served in the Army Air corps from 1946-1951, and then returned to NH where he worked at NH Ball Bearing for 39 years. He loved growing vegetables, fishing and watching nature.

February 1, 2013-**Joseph M. Giza III**

February 20, 2013-**Oscar “Ozzie” Sweet**, a legendary photographer whose photos appeared on over 2,000 magazine covers, including Time, Saturday Evening Post, Cosmopolitan, Field and Stream, Newsweek and Parade, lived in Francetown from 1960-1992. Many of his photos were shot in the Monadnock region and he often used local residents as models. He was probably known best, however for his sports photography, especially cover shots of baseball players during the 1940’s and 1950’s. He will be remembered by all who knew him for his warm smile, handlebar moustache and his antique truck.

March 10, 2013-**Ronald George Smart**, born in Australia, worked as an engineer and in 1964, became employed with the ‘new’ computer company Digital Equipment Corporation. His happiest years were spent in Francetown raising beef cattle, picking blueberries (and eating the pies his wife Dot made from them) and watching the fireworks on July 4th from his Bible Hill home.

April 21, 2013-**Barry W. Brendle** worked as a teacher at Sununu Youth Services Center in Manchester for 28 years. He loved the outdoors, hiking, mountain biking, motorcycles and was a member of the National Ski Patrol.

April 27, 2013-**Tim Taylor** made teaching/coaching ice hockey his life career. He coached Yale’s hockey team from 1976-2006 and had 337 victories during that time, making him the winningest coach in Yale’s hockey history.

He was assistant coach for the 1984 US Olympic hockey team and head coach for the 1994 team. He loved the woods, fields and streams of Frankestown and listening to the loons on the pond in early morning.

May 22, 2013-**Stephanie Joy Barker** graduated from Northeastern University in Boston with a BS in Nursing. She dedicated 5 years of service to Boston Healthcare For the Homeless and also volunteered time in New Orleans, Haiti and Kenya. She competed in ultimate Frisbee at the world class level.

June 5, 2013-**Nancy Gleason**, a social worker, was former president and CEO of Planned Parenthood in MA. She loved skiing, gardening, tennis and played the violin.

June 10, 2013-**Bert B McClary Jr** served in the US Army during the Korean War, was a 33rd Degree Mason, a member of the Shriners and worked as an auctioneer in Frankestown and all around New England.

June 13. 2013-**James MacInnes** summered in Frankestown, was a veteran of the Korean War, worked in the Lexington MA school system for 35 years and volunteered for the Red Cross, Boy Scouts of America and various other organizations.

July 17, 2013-**Ida Cilley Hobbs**, born and raised in Frankestown, was a member of Oak Hill Grange and NH State Grange for more than 50 years. She loved nature, gardening and the outdoors.

September 8, 2013-**Guy A “Andy” Swenson** served in the Army Air Corps during WWII, was a graduate of Harvard Law School, practiced in the areas of banking law and real estate, then later in trust and probate law. He was involved in numerous civic and charitable organizations, loved music, horseback riding, birds, wildlife and the hills and woods of New Hampshire.

October 3, 2013-**Carol Hill Faber** summered in Frankestown since the 1960's, enjoyed photography and tennis and played in the Labor Day tennis tournament most years.

October 18, 2013-**Dorothy Philbrick** was a resident for many years.

December 13, 2013-**Leon L Dustin** was a WWII Veteran, and worked as a teacher, coach and administrator in Lisbon, Franklin and Belmont.

All will be greatly missed by the community.

Respectfully Submitted,

Kris Holmes, Historian

TOWN MEETING 2013

TOWN OF FRANCESTOWN, NH
MARCH 16, 2013

Meeting called to order at 10:16a.m. by Moderator, Paul Lawrence and the polls were declared open.

Pledge of Allegiance followed by the Reading of Resolutions.

To the inhabitants of the Town of Francestown, in said County of Hillsborough, in said State of NH, qualified to vote in Town affairs:

Pursuant to RSA 39:2a and the vote of the Annual Town Meeting in 1979, you are hereby notified the second session of the annual meeting of the Town of Francestown will be held at the Francestown Elementary School on Saturday, the Sixteenth day of March next, at 10:00 o'clock in the forenoon, at which time the Town will act on the following subjects:

RESOLUTION: Whereas O. Alan Thulander has led the volunteer effort to provide the Town with a Museum to house valuable historic vehicles and other items of significance for Francestown.

Be it resolved that the citizens of Francestown extend a sincere vote of thanks to Alan for this as well as many other contributions over the past 6 decades.

RESOLUTION: Whereas the Francestown Volunteer Fire Department has served the Town for the past seventy-five years.

Be it resolved that the citizens of Francestown extend a sincere vote of thanks to all the volunteers, present and past, for their critical role in preserving our lives and property.

RESOLUTION: Whereas Ellen Neilley has served the Town faithfully as Public Health Officer and Deputy Health Officer for the past six years.

Be it resolved that the citizens of Francestown extend a sincere vote of thanks to Ellen for her contributions to the well-being of our Town.

RESOLUTION: Whereas Peter Hopkins has served the Town faithfully as Building Inspector for the past six years.

Be it resolved that the citizens of Francestown extend a sincere vote of thanks to Peter for his efforts on behalf of an orderly and safe community.

RESOLUTION: Whereas Michael Tartalis has served on the Francestown Planning Board for the past eight years.

Be it resolved that the citizens of Francestown extend a sincere vote of thanks to Mike for his conscientious participation in all issues coming before the Board.

Resolutions accepted by unanimous vote.

Motion seconded by Betsy Hardwick.

Motion to Table Article 12 Carried.

ARTICLE 13:

Motion made by Abigail Arnold to see if the Town will vote to raise and appropriate the sum of FORTY-FIVE THOUSAND DOLLARS (\$45,000) to perform the necessary work to allow for the removal of the six temporary posts as part of the structural repairs to the Town Hall, TWENTY-TWO THOUSAND FIVE HUNDRED

DOLLARS (\$22,500) to be raised by taxation and TWENTY-TWO THOUSAND FIVE HUNDRED DOLLARS (\$22,500) to be raised by the acceptance of grants and or private donations. This is a special non-lapsing warrant article until the project is complete or December 31, 2018, whichever comes sooner, pursuant to RSA 32:7 (IV). Funds from taxation will not be expended unless and until other matching funds materialize. Motion seconded by Michele Ferenscik.

Motion made by Paul St Cyr to Table Article 13.

Motion seconded by Betsy Hardwick.

Motion to Table Article 13 Carried by standing vote

YES votes to Table = 54 NO votes to Table = 36

ARTICLE 15:

Motion made by Tom Anderson to see if the Town will vote to support the Board of Selectmen's recommendation that the title of "Administrative Assistant" be changed to "Town Administrator" to more accurately reflect the responsibilities of the job, or taken any other action related thereto. The salary and benefits for this position are contained in the operating budget (Advisory).

Motion seconded by Abigail Arnold.

Article 15 Carried

ARTICLE 16:

Motion made by Betsy Hardwick to see if the Town will vote to discontinue electing a treasurer and to authorize the Board of Selectmen to appoint a town treasurer in accordance with RSA 41:26e.

Motion seconded by Abigail Arnold.

Article 16 Not Carried.

ARTICLE 17:

Motion made by Paul Lawrence to transact any other business that may legally come before said meeting.

Motion seconded by Sirkka Holm.

Meeting Adjourned at 3:58pm.
